Designs for Timeless *Spaces*

About us...

Architectural Hardware influences our lives in many ways, much beyond what meets the eyes. It reflects our status and our choices and more importantly, it even impacts, the way we work, think and live. At Sky World Enterprise, we deeply understand the value of meritorious architectural hardware in our lives. And hence, we have dedicated ourselves to creating nothing short of masterpieces. Currently we are designing, manufacturing and marking all types of handles and knobs, for all types of applications under the brand name of TROZEN.

We have set-up our own design studio and roped in some of the finest creative brains to churn out exclusive collections. With state-of-the-art manufacturing facility with all in-house R&D as well as Quality Assurance Set-up, we are able to produce what can simply rule the market. And yes, the brand name TROZEN reflects our attitude towards excellence. We have focused in creating a pool of talented designers and skillful craftsmen to give an extra edge to our products.
